Dear Ms. Tyndle:

This letter is in response to your letter of May 15 informing the Boucher for Congress Campaign that we failed to include the Summary Page and the Detailed Summary Page with our April 15 report. An amendment to our April 15 report is attached to correct this problem.

In addition your letter of May 28 pointed out that our Twelve Days before the Primary had calculated in Column B Election Cycle amounts rather than Year to Date amounts. A separate letter will address this problem with the Primary amounts, however, in reviewing our summary pages for April 15 we realized that we had also done the same mistake for this report.

Lastly, a PAC contribution was mistakenly listed as an individual contribution for over \$200 on line 11a(i). This was corrected and it has been reported under 11c.

Boucher for Congress regrets these mistakes and will make every effort to catch other mistakes. Thanking you in advance for your time, I am

Sincerely,

A handwritten signature in cursive script, appearing to read "Michelle Prosser".
